

We sadly report the death of one of our members, Dennis Dee, from Buffalo, NY. Dennis attended several ILAA conventions over the years. He especially enjoyed the last Montreal convention and intended to return to Montreal for our convention this October. Dennis passed away on February 4, 2012. Dennis loved AA and he loved working with lawyers in recovery. He was very active in the Erie County Lawyers Helping Lawyers Committee and the New York State Bar Association Lawyers Assistance Committee.
